Swingers' Chip-In Reporting Process - Effective January 2020

To make "Chip In" reporting more efficient, we will be implementing a new process effective January 1, 2020.

If you have a chip-in, please continue to mark it on your card by <u>circling the hole # and writing "chip-in" next to it.</u>

NEW At the end of your round *that day*, when you turn in your scorecard you will need to go into the Posting Room and record your chip-in in the spiral-bound "***Swingers Chip-In Log***" on the counter under the Swingers' Bulletin Board. **You must include your name, the date and hole # in the log.**

It is the player's responsibility to record their chip-in. If you are unable to do so, you may ask one of your playing partners to post it for you. If a chip-in is not recorded on the day it was achieved, there will be no payout.

---> Chip-in winnings will usually be paid the following week. You will find an envelope with your name and your winnings next to the "chip-in jar" where you pick up your scorecard for the next week's round of golf or the next time you play.
