

Villages Women's Nine Hole Golf Club

2025 ANNUAL DUES

Thank you for joining the *Villages Women's Nine Hole Golf Club*! We have a full year of great golf events planned. As well as an opportunity to make new friendships.

Club membership dues and NCGA dues are billed annually to your *Homeowners Account* (HOA) at the start of the new year.

You do not need to do anything if your Club and NCGA memberships remain the same each year. So easy...

However, we are aware that life happens, and things change...

- You would like to change your primary club designation. (i.e., Primary-9, Dual-9, or Dual-18)
- You find yourself not playing golf much anymore. However, you would like to maintain your social connections and become an Associate or Social member. (No annual dues required.)
- You would like to resign from the *Women's Nine Hole Golf Club* and keep your NCGA membership (GHIN #).
- You would like to resign from the *Women's Nine Hole Golf Club* and drop your NCGA membership (GHIN #).

Please notify the Membership Chair, Judy Steinberg, by December 1st, if you would like to make a change to your membership. Failure to notify will result in unwanted charges to your HOA. (email: jsteiny5@comcast.net)

Annual Billing Schedule:

- January Nine Hole Membership Dues \$60.00
- February NCGA Membership Dues \$46.00
- Associate and Social membership dues have been discontinued.

Only one NCGA fee per year is required regardless of membership in one or more of the Villages Women's Golf Clubs. (Shoni, 9-Hole, and/or 18-Hole)

Review membership types at: <https://womens9holegolf.vgcc.club/?p=3286>
